NOTICE and APPLICATION CHECKLIST

DATE: February 22, 2012

TO: Nevada Licensed Appraisers

FROM: David Marlow
Supervisory Land Agent

RE: Application to be included on
the Division of State Lands' list of appraisers

The Nevada Division of State Lands maintains a list of appraisers who are qualified and willing to perform appraisals of land offered for sale or lease by the State Land Registrar. At least once every 3 years, the Division of State Lands solicits applications from appraisers for inclusion on our list of appraisers pursuant to Nevada Administrative Code 321.515. If an appraiser wishes to be included on this list they must reapply every three years.

Whenever the Division of State Lands needs to dispose or lease certain property, at least five randomly selected appraisers on the list maintained by our Division will be sent requests for proposals. Appraisers are organized on the list by county and type of appraisal each appraiser is qualified and willing to perform.

We would like to invite you to apply to be included on our list of appraisers. **In order to be considered please complete the "Appraiser Application Checklist" and submit it along with the information required to the Division of State Lands no later than April 20, 2012**

Should you have any questions please feel free to contact David Marlow at (775) 684-2733.
